# 4 BERGE SKI SCHLADMING

IN THE SCHLADMING-DACHSTEIN REGION

## THE SCHLADMING-DACHSTEIN REGION

One of the largest ski areas in Austria, it includes the Dachstein Glacier at an altitude of 2,700 m above sea level. All of the pistes descending from the mountains into the valleys may be covered with artificial snow if required. Enjoy 185 fine kilometres of pistes, 76 modern cable cars carry you uphill quickly & over 90 inviting lodges await you! TIP for non-skiers: **Winter hiking ticket** valid for selected cable cars & buses in the region. Details & prices on request.
